Chairman's vision about Board

The current Chairman of Board Dr. Tariq Mehmood Qazi is endowed with the great qualities of head and heart, pen and mind. He is a versatile genius who possesses vast academic and administrative experience. He has a multi-dimensional personality. He is a visionary who has a great vision for the up-lift of this Board.

He has many plans for the progress and development of this Board. For the completion of these plans, he initiated new projects that would surely enhance the capacity and beauty of this Board. He believes in speedy delivery of services to the public.

New Initiatives

1. Digitalization of data

Chairman has directed the computer section for the digitalization of data for the maintenance of online record. It will help in the speedy provision of services. The world is changing fast and it has become a global village. There is no room for lengthy processes and red tapism. People want easy and online services at their doorstep. To fulfil such needs of the public, the chairman has started the digitalization of the old record and online services. It will save time of the public and increase the capacity of the Board to provide speedy services.

2. Beautification of Board Campus

The chairman wants to beautify and renovate the Board Campus. He has a dream for the beautification of the Board and to actualise this dream, he has constituted a committee under the supervision of the Secretary Board. In this regard, a massive plantation campaign of ornamental plants is under process. Moreover, the work is in progress on the formation of green belt outside the Board wall along with the main road. This will change the outer look of the Board and it will leave a good impression on the visitors.

3. Welfare of employees is a priority of Chairman

The employees are a valuable asset and backbone of any organization. They do play a pivotal role in the progress and development of an organization. Realising the importance of this factor, the Chairman has always patronized the projects relating to the welfare of the employees. He always prioritises the welfare related issues of the employees, like early access of medical facilities to the employees and their family. He has also facilitated the merit based promotion system.

He enjoys in the company of the board employees and tries to participate in the ceremonies arranged by the board employees like retirement ceremonies and other board functions.

4. Improvement in the conduct of examination and marking system

Under the kind guidance of the Chairman, the Board has increased its capacity to conduct the examination in a conducive environment. It will help the students to show their talent in a better way in the examinations. Moreover, new initiatives have been taken to raise the standard of existing marking system. The main purpose of exams is to evaluate the potentials of the students. In this regards steps are being taken to get rid of old **"ratta"** system and to introduce concept based question papers. Keeping in view the International system of examinations, the focus is on creative writing and personal development skills of students.

5. Dispensation of speedy services at one window operation

One window operation provides services to the public. The Chairman has shown great interest in the affairs of One-Window. He personally visited the premises of the branch many times and preferred to listen to the concerns of the public and gave necessary orders on the spot to address all sorts of issues in public interest.

Further, he directed for the development of infrastructure at One Window Operation. The working on this project is under-process. According to the Chairman's vision, now the public feels more facilitated and is getting services within no time from Board in a dignified way.

Chairman Dr. Tariq Mehmood Qazi listening to the concerns of the visitors at One-Window Operation

Message from the Secretary

BISE, Gujranwala

It is a matter of great honor as well as challenge for me to serve an organization which is taking concrete and effective measures to provide transparent, credible, trustworthy and peaceful environment to the students of SSC & HSSC level for evaluation & assessment of their educational wisdom and capability. Since the beginning of my professional career, I always believe in delivery of good services and prompt decisions to ensure the good governance and delivery of services to the public at the earliest. Therefore, on the occasion of joining my duties at Board of Intermediate and Secondary Education, Gujranwala, I promised to myself that I would render my services with great devotion and with the passion of service to the nation as well as my beloved country. I will do my best to enhance the performing capacity of this organization through imparting necessary training to the employees of the Board and uplifting their living standard by conducting various projects of their welfare and providing them best working environment in the Board. It is also my aim to ensure the delivery of quality education at all the affiliated educational institutions through proper monitoring.

Plantation Campaign at BISE, Gujranwala

The Prime Minister of Pakistan Imran Khan has started clean and green Pakistan campaign. The purpose of clean and green Pakistan campaign is to reduce the growing pollution in the country. It is a fact that environmental pollution is a crystal clear health hazard. It is detrimental to human health. The menace of atmospheric pollution has only one solution that is tree plantation. The city of Gujranwala has many furnace factories that emit poisonous chemical smoke. So, it is dire need of the hour to plant trees here. To participate in this national cause, a massive tree plantation campaign was launched at the Board campus on the direction of Chairman of this Board. It is a great service indeed. Different dignitaries were also invited to become part of this campaign. Bau Muhammad Rizwan (Minister for Development of Environment) visited the campus and planted a tree here. The tiger force also participated in tree plantation campaign along with forest department employees. The Deputy Commissioner Lt. (Retd), Sohail Ashraf also visited the Board Campus. He planted a tree at the Board campus .

The Chairman BISE, Gujranwala, The Secretary Board Nasir Mehmood Awan, Audit Officer Mian Khalid Mehmood, Deputy Secretary Establishment Syed Intizar Hussain Shah, Deputy Secretary Finance Waheed Ahmed Bajwa, Security Officer Abdul Sattar Rashid, Estate Officer Najeeb Ashraf also participated in this compaign along with other Board Staff.

Workshop on PEEDA Act 2006

The knowledge of laws and rules provides a foundation on which the super structure of a good administration can be erected. The lack of knowledge of laws and rules leads towards mal-administration. It is not good for an organization that its employees are ill-equipped with the knowledge of rules and regulations. It does not augur's well for the growth and development of an organization.

The Chairman is very keen to disseminate knowledge among Board employees. According to his vision a detailed two days training workshops of branch officers regarding PEEDA Act. 2006 was arranged.

This Board is lucky that it has a person by the name of **Mian Khalid Mehmood** (Audit Officer) who is adept in all sorts of rules and regulations and has a vast experience of account matters. Mian Khalid Mehmood was the resource person who delivered a comprehensive lecture on **PEEDA Act**. He explained all the sections of PEEDA Act. 2006 in a detailed presentation on multi-media. The Q/A session was also arranged. The participants took great interest in this learning activity.

The honorable Chairman Dr. Tariq Mehmood Qazi presided over this training session. He also emphasized the importance to understand the PEEDA Act. 2006 for Govt. servants. At the end he appreciated Mian Khalid Mehmood for delivering an effective lecture on this topic and thanked the participants.

Importance of Discipline and ill consequences of indiscipline

No one can deny the importance of discipline in the life of a person. In an organization the importance of discipline is increased many fold. Discipline is a golden principle that is helpful in achieving the set goals in life. The Board authorities are well aware about the importance of trainings. Trainings will help in the capacity building of employees. The Chairman has a vision to improve the working capacity of this Board. For accomplishment of this purpose a training workshop was arranged for the employees of Estate branch on the topic of "Importance of Discipline and ill consequences of indiscipline".

A workshop on "Public Dealing Etiquette" at One Window Operation

The staff at one window operation has to deal with many people having different mindsets in a day. The behaviour of the staff with the public determines the image of an organization that makes the public opinion. A well developed public relation system is a key to the success of an organization.

To fulfil this need, "**One day training workshop**" of the staff of one window operation and R&D branch was arranged with the title of "**Public Dealing Etiquette**". The sole purpose of this training was to equip the Board employees with the tool of polite behavior to deal with the public in an improved manner.

A New MOU was signed with Pakistan Post, it will save millions of rupees

On the directions of the Chairman BISE, Gujranwala Dr. Tariq Mehmood Qazi, the Board has signed a new Memorandom of Understand (MOU) with Pakistan Post. According to the new MOU, the price of registry is reduced from 45 rupee to 30 rupee each. It is note worthy that this memorandum of Understanding will save a huge money of BISE Gujranwala. This memorandum is the brain child of Chairman BISE, Gujranwala who is keen to save the financial resources of this Board. The officers of the Pakistan Post also facilitated this process. The Board administration is highly thankful to them. The Chief Post Master Mr. Mushtaq Ahmed contributed a lot for the accomplishment of this MOU.

The Secretary Board, Prof. Lubna Akhlaq Khan and Chief Post Master, Mushtaq Ahmed are signing the MOU. The Chairman BISE Gujranwala, Dr. Tariq Mehmood Qazi, witnessed the signing of MOU along with other Board Officers.

History of BISE, Gujranwala

The Board of Intermediate & Secondary Education, Gujranwala has a tremendous history. It was established under the Punjab Boards of Intermediate & Secondary Education Act. 1976 and its jurisdiction was notified on 14th October, 1982. It conducted its first Secondary School (Supplementary) Examinations in 1983. According to the provisions of this Act, the Board has been entrusted with the responsibility of conducting examinations in an effective and transparent manner. In accordance with the International standards governed by the rules and regulations, these rules has been made for the resolution of academic and administrative matters related to Board.

The Board of Intermediate & Secondary Education, Gujranwala was initially established at a rented building. Despite difficulties, the dedicated officers and officials rendered great services to the public of this region. Later on, a piece of land measuring 229 Kanal and 06 Marla was acquired at the cost of 12,816,095/-.

The boundary wall was erected in September, 1998. The building committee of the Board hired the services of consultant M/S ILLERI H.N MURAT KHAN & ASSOCIATE LAHORE to construct the office building. The phase - I was comprised of a mosque, a Guest House, the Bank, the Post Office, R&D, Stores and Garages. This phase was completed on 31-01-1994. The board started working in the present building on 1993.

Now, Board has a magnificent building along with beautiful lawns and trees that enhance the beauty of Board campus. The employees have great talent and are committed to provide quick and meritorious services to the students and public.
