CHAIRPERSON's MESSAGE

It is an honor to serve the Board of Intermediate and Secondary Education, Gujranwala, an institution dedicated to deliver transparent, efficient and student-centric examination services. We firmly believe that teamwork, integrity and innovation are the driving forces behind sustainable institutional progress. Our priority is to facilitate students, educational institutions and the public by providing accessible, timely and technology-oriented services. We remain committed to strengthen digital transformation, enhancing institutional capacity and continuous improvement in the quality of service delivery. The achievements of the BISE Gujranwala reflect the collective efforts, professionalism and dedication of our officers and officials. Together, we will continue to foster a culture of accountability, excellence and continuous improvement while embracing modern technologies and best administrative practices. With the support of our stakeholders and the unwavering commitment of our team, we look forward to build a more progressive, transparent and responsive institution that serves the educational community with distinction. As a team, we will continue to uphold excellence, inspire confidence, and shape a brighter future for education.

We also strive to promote a professional working environment where every individual is encouraged to contribute ideas, embrace innovation and perform responsibilities with dedication. By strengthening coordination among departments and maintaining high standards of governance, we aim to ensure greater efficiency, public trust and institutional effectiveness. Our continued focus on capacity building and modern service delivery will further enhance the Board's role in supporting quality education and empowering future generations.

LEADERSHIP PROFILE:

- Engr.Dr. Aqsa Shabbir is currently serving as Chairperson Board of Intermediate and Secondary Education (BISE), Gujranwala. She earned her PhD jointly from Ghent University, Belgium, and Ludwig Maximilian University of Munich, Germany, in 2016 under the prestigious Erasmus Mundus Fellowship. During her doctoral research, she worked on the application of artificial intelligence to nuclear fusion.
- She also holds an Executive MBA from Lahore College for Women University (LCWU) and has obtained both her Bachelor's and Master's degrees in Electrical Engineering from the University of Engineering and Technology (UET), Lahore.
- She has trained in Entrepreneurship in Indonesia and in AI at Kyoto University in Japan. Prior to her current appointment, Dr. Shabbir served as Associate Professor Electrical Engineering, Head of Intermediate College and Director of Research, Innovation & Commercialization at Lahore College for Women University, where she established the Khadija-tul-Kubra Business Incubation Center to promote entrepreneurship, innovation, and industry-academia collaboration.
- An accomplished researcher, Dr. Aqsa Shabbir has published extensively in internationally reputed journals, with a cumulative journal impact factor exceeding 100. She has presented her research at leading international conferences across North America, Europe and Far East Asia. She has served as a visiting researcher at the Max Planck Institute for Plasma Physics, Germany and the Culham Centre for Fusion Energy, United Kingdom.
- Dr. Aqsa Shabbir is also an innovator, having recently been granted a patent for a portable cardiopulmonary device. She has a research grant portfolio exceeding PKR 400 million, leading numerous national and international projects in the areas of artificial intelligence, climate change, STEM education, innovation, entrepreneurship and graduate employability.
- She has been a trainer for National Academy of Higher Education and Program Evaluator for Pakistan Engineering Council and National Technology Council.

ENGR. DR. AQSA SHABBIR (Chairperson)
Board of Intermediate & Secondary Education, Gujranwala

The BISE Gujranwala is committed to strengthen the governance through transparent administration, effective implementation of rules, accountability, and merit-based decision-making. With a focus on institutional discipline and efficient management, the Board continues to enhance its administrative systems, streamline processes, and promote a culture of responsibility and professionalism. These efforts are aimed at ensuring transparent, efficient, and student-centeric services while fostering sustainable institutional development.

Engr. Dr. Aqsa Shabbir Assumed Charge as Chairperson of BISE Gujranwala

Engr. Dr. Aqsa Shabbir has formally assumed charge as the Chairperson of the Board of Intermediate and Secondary Education (BISE), Gujranwala. On this occasion, Prof. Rashid Ahmad Bhatti, Secretary of the Board; Prof. Nadeem Ahmad, Controller of Examinations; Mr. Atif Imdad Tarar, Research and Coordination Officer; Mr. Zia-ul-Murtaza Farooqi, Audit Officer; along with other officers and officials of the Board, warmly welcomed newly appointed chairperson Engr. Dr. Aqsa Shabbir and extended their heartfelt congratulations on assuming the office of Chairperson.

The appointment marks a historic milestone in the 43-year history of BISE Gujranwala. Prior to her appointment, 42 Chairmen had served the Board, including 20 on Additional Charge and 22 as Regular Chairmen. Engr. Dr. Aqsa Shabbir is the 43rd Chairperson of the Board of Intermediate & Secondary Education, Gujranwala, its first-ever female Chairperson, the youngest Chairperson, and the first Engineer to serve as Chairperson. She is endowed with remarkable qualities of head and heart, pen and mind.

During the welcome meeting, officers briefed her on the Board's administrative, academic, and examination functions and assured their full cooperation in promoting transparency, merit, good governance, and institutional development.

Dr. Aqsa Shabbir expressed gratitude for the warm welcome and reiterated her commitment to promote a transparent, efficient and student-friendly system within the Board. She further emphasized her resolve to strengthen the quality and credibility of the examination system, introduce effective administrative reforms, and utilize all available resources to enhance the overall performance and institutional excellence of BISE Gujranwala.

The Chairperson of BISE Gujranwala, Engr. Dr. Aqsa Shabbir, Inspected Various Branches of the Board

Engr. Dr. Aqsa Shabbir, Chairperson of the Board of Intermediate and Secondary Education (BISE), Gujranwala, inspected various branches of the Board to review administrative and examination-related operations. During the visit, she acquainted with officers and employees, received briefings on the functions and performance of different branches, and reviewed the measures taken to ensure transparency, security, record management, office discipline, and efficient public service delivery. In the way of discussion with officers & staff, the Chairperson appreciated their dedication and professionalism. She emphasized on transparency, meritocracy, accountability, and timely decision-making. She directed all branches to utilize all the available resources effectively to strengthen the credibility of the examination system and to enhance the monitoring mechanisms. Moreover, she stressed upon the need to provide quality services to students and the public. She stated that BISE Gujranwala is a prestigious institution, and the preservation of its repute is our collective responsibility. She affirmed her commitment for institutional development and administrative excellence. She also expressed confidence that, through teamwork, integrity, and effective governance, the Board will continue to maximize its services and strengthen the trust of students, parents, educational institutions, and the public, in line with the vision of the Government of Punjab. The Secretary of the Board, Prof. Rashid Ahmad Bhatti, accompanied the Chairperson during the visit.

A Briefing on Administrative, Procurement & Operational Affairs

Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala, was briefed by Prof. Rashid Ahmad Bhatti, Secretary of the Board, Prof. Nadeem Ahmad, Controller of Examinations, and other senior officers on procurement, administrative affairs, and key operational matters. The briefing focused on ongoing initiatives, institutional priorities and measures to further strengthen transparency, efficiency and effective governance across the Board.

Chairperson Commends Research & Coordination Officer for Outstanding Performance in Human Resource Assessment

In accordance with the directions of the Chairperson, BISE Gujranwala, Engr. Dr. Aqsa Shabbir, a Need-based assessment survey for the development of human resources was carried out by the Research & Coordination Officer, Atif Imdad Tarar. The assessment report, along with a comprehensive chart outlining the identified requirements, was presented to the Chairperson. The Chairperson appreciated the working and professionalism of the Research and Coordination Officer on the Successful completion of the given task.

Ensuring Administrative Efficiency, The Chairperson disposed of 14 Pending PEEDA Cases

The Chairperson, BISE Gujranwala, has recently cleared 14 pending PEEDA cases involving the Board's officers/officials after due consideration of the relevant records and inquiry reports. The disposal of these cases marks a significant step towards greater administrative efficiency. This administrative action reflects the Chairperson's vision of achieving administrative excellence, reaffirming the principle that "Justice delayed is justice denied." The initiative promotes timely decision-making, transparency, accountability, and institutional discipline in accordance with established rules and procedures.

Rooftop Inspection Ahead of the Monsoon Season

To ensure the safety of the Board's infrastructure and the uninterrupted delivery of public services during the ongoing monsoon season, the Chairperson, BISE Gujranwala, Engr. Dr. Aqsa Shabbir, visited the rooftop and sewerage disposal site of the Board's campus to assess the situation following the rainfall. The Secretary, BISE Gujranwala, Prof. Rashid Ahmed Bhatti, accompanied the Chairperson.

During the visit, the Chairperson reviewed the condition of the building, drainage arrangements, and precautionary measures in place to mitigate the potential impact of heavy rainfall. She directed the concerned officers/officials to remain vigilant, ensure the timely drainage of rainwater, and maintain continuous monitoring of the Board's premises to safeguard public property and ensure the smooth functioning of official operations.

BISE Gujranwala remains committed to proactive planning, efficient infrastructure management, and ensuring the safety and convenience of students, employees, and all stakeholders under all weather conditions.

A Landmark Initiative of the Chairperson for Employee's Welfare; Restoration of Medical Reimbursement Facility

The Chairperson, BISE Gujranwala, has revived the medical reimbursement facility after nearly two years and introduced new SOPs for its smooth and transparent implementation. The facility will cover admissible medical expenses of eligible employees and their dependents as per prescribed rules. The initiative has been appreciated as an important step towards employee welfare and relief.

Formation of Quality Assurance & Enhancement (QAE) Committee for Institutional Excellence

After its formation, the first meeting of the Quality Assurance & Enhancement (QAE) Committee, BISE Gujranwala, was held in the Board's Conference Room and chaired by Engr. Dr. Aqsa Shabbir. The meeting focused on campus beautification, cleanliness, systematic placement, and effective management of assets and resources. BISE Gujranwala remains committed to continuous quality improvement, efficient resource management, and a modern, well-organized environment.

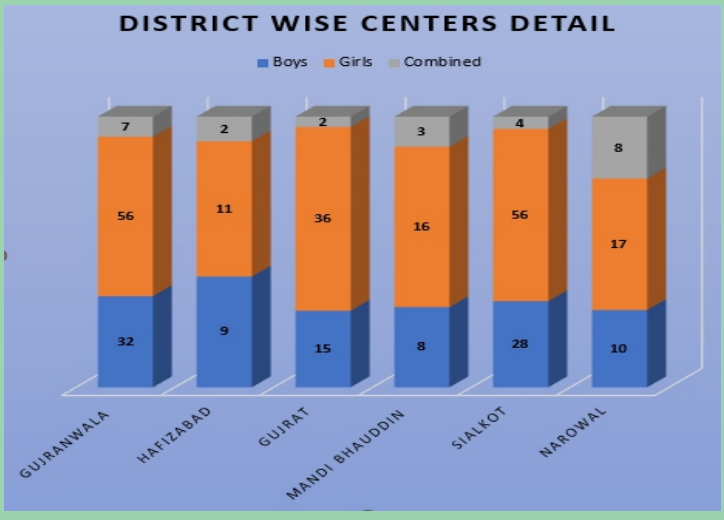

After the meeting and as per the directions of the Chairperson, BISE Gujranwala, Engr. Dr. Aqsa Shabbir, the Quality Assurance Committee of BISE Gujranwala visited the Board's campus to assess the existing infrastructure and identify areas requiring development and improvement. The committee conducted a comprehensive review of the available facilities and highlighted key areas where development work is required to enhance the institutional capacity, operational efficiency and better service delivery.

The BISE Gujranwala ensures transparent, secure and efficient examination services, supported by effective use of technology, regular monitoring and student friendly environment.

Intermediate First Annual Examination 2026: An Overview

To ensure the smooth, transparent and well-organized conduct of the Intermediate examinations, BISE Gujranwala established a comprehensive network of examination centres across its jurisdiction. A total of 282,604 candidates applied for the Intermediate examinations, comprising 137,451 candidates of Part-I and 145,153 candidates of Part-II.

Sr. No	Name of District	Boys Centers	Girls Centers	Combined Centers	Total Centers
1	Gujranwala	32	56	7	95
2	Hafizabad	9	11	2	22
3	Gujrat	15	36	2	53
4	Mandi Bahauddin	8	16	3	27
5	Sialkot	28	56	4	88
6	Narowal	10	17	8	35

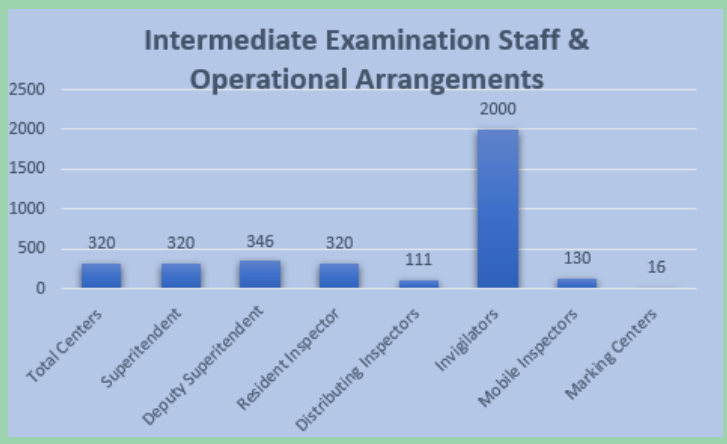

While establishing examination centres, due consideration was given to the convenience of candidates by locating centres, wherever feasible, in close proximity to their respective institutions and residential areas. This approach aimed to minimize travel distances, reduce inconvenience and facilitate candidates, particularly those commuting from distant areas.

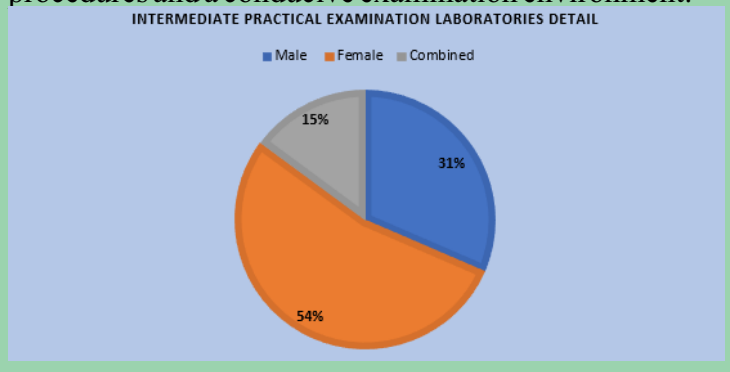

To facilitate the seamless, transparent, and well-organized conduct of the Intermediate examinations, the administration of BISE Gujranwala established a comprehensive examination and monitoring network across its jurisdiction. A total of 320 examination centres were established, supported by 320 Superintendents, 346 Deputy Superintendents, and 320 Resident Inspectors.

For effective conduct, invigilation, and monitoring of examination activities, 111 Distributing Inspectors, 2,000 Invigilators, and 130 Mobile Inspectors were deployed. Moreover, 16 Marking Centres were established to ensure the organized and efficient assessment of candidates' answer scripts.

This comprehensive human-resource and operational arrangements reflects the Board's commitment to transparency, accountability, effective supervision and the fair and transparent conduct of examinations in accordance with prescribed rules and procedures.

BISE Gujranwala successfully conducted Intermediate practical examinations in 19 different subjects through a comprehensive network of designated practical examination laboratories. To facilitate candidates and ensure transparent conduct of practical examinations, a total of 457 laboratories were utilized across the Board's jurisdiction, comprising 144 Male Laboratories, 245 Female Laboratories and 68 Combined Laboratories. These laboratories arrangements were made to provide candidates with accessible and appropriate facilities for their practical examinations while ensuring effective supervision, standardised procedures and a conducive examination environment.

Post-Examination Analysis, A initiative of the chairperson Engr. Dr. Aqsa Shabbir

"Post-examination analysis is essential for improving the quality of marking within the existing examination system," said Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala.

To achieve this objective, the Chairperson held a meeting with Subject Specialists in Urdu, Islamiat, and Computer Science to evaluate examination trends and subject-wise performance and identify key areas for further improvement. She emphasised the need to familiarise the Board with modern international examination systems to reform and enhance the prevailing examination system. The Chairperson directed the Research and Coordination Officer to assist the Subject Specialists in preparing a comprehensive Post-Examination Analysis Report.

Chairperson Engr. Dr. Aqsa Shabbir Inspected various Marking Centres across the region

In line with the policies of the Government of Punjab and with a view to ensuring transparency and merit, the Chairperson, Board of Intermediate and Secondary Education (BISE), Gujranwala, Engr. Dr. Aqsa Shabbir, inspected various marking centres across the region. The visits aimed to ensure quality assessment and facilitate the marking staff. She was accompanied by Prof. Nadeem Ahmad, Controller of Examinations.

During the visits, she reviewed the marking process, security arrangements, discipline, examination management, and facilities available to examiners. She also interacted with supervisors and marking staff to discuss operational matters and address challenges encountered during the assessment process.

The Chairperson directed the concerned officers to ensure foolproof security of answer scripts at all marking centres to safeguard examination records and uphold the highest standards of transparency and integrity. In accordance with the directives of the Higher Education Department, Government of Punjab, she further instructed the supervisors to provide adequate facilities to Head Examiners, Sub-Examiners, and supporting staff, enabling them to discharge their responsibilities in a safe, comfortable, and professional working environment.

Reaffirming the Board's commitment to excellence, Engr. Dr. Aqsa Shabbir stated that BISE Gujranwala will continue to utilise all available resources to uphold transparency, merit, quality, and effective governance throughout the examination process, ensuring that every stage of assessment is conducted in accordance with the highest professional standards and in the best interest of students.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government Graduate College, Hafizabad.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government Jinnah Islamia College, Sialkot.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government Christian High School, Daska.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government Comprehensive School, Sialkot.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government College for Women, Daska.

The Chairperson, along with the Controller of Examinations, inspected the Marking Center at Government Graduate College for Women, Sattelite Town, Gujranwala

Despite Heavy Rainfall BISE Gujranwala Ensures Smooth Conduct of Practical Examinations

Despite heavy and torrential rainfall across the region, the practical examinations at all examination centres in Gujranwala, Gujrat, Mandi Baha-ud-Din, and other districts are being conducted smoothly and efficiently in strict accordance with the Board's Standard Operating Procedures (SOPs).Under the leadership of

Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala, the Board remains steadfast in its commitment to ensuring the transparent, fair, and uninterrupted conduct of examinations. The Controller of Examinations, Prof. Nadeem Ahmed, is closely supervising the examination process, while the Secretary, Prof. Rashid Ahmed Bhatti, has ensured the timely provision of all necessary logistical and administrative arrangements to facilitate the smooth conduct of the practical examinations.

The Board sincerely appreciates the valuable cooperation and support of parents, teachers, students, supervisory staff, and the Divisional and District

Administrations, whose collective efforts have contributed significantly to the continued conduct of examinations despite challenging weather conditions.

By the grace of Almighty Allah and through the coordinated efforts of all stakeholders, the practical examinations are continuing peacefully, safely, and without interruption, reflecting the Board's unwavering commitment to transparency, efficiency, and excellence in public service.

Controller of Examinations Briefed Media on Advanced Examination Monitoring System

Under the guidance of Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala, Prof. Nadeem Ahmad, Controller of Examinations, gave a comprehensive demonstration of the system, highlighting its real-time CCTV monitoring of examination centres and practical laboratories. The system is designed to strengthen examination security, enhance transparency, and safeguard the integrity of the assessment process.

The initiative enables continuous monitoring and timely identification of irregularities, thereby supporting effective supervision and accountability throughout the examination process. BISE Gujranwala continues to leverage modern technology to uphold the highest standards of fairness, transparency, accountability, and excellence in the conduct of public examinations.

Review of Post-Examination Analysis

On the initiative of Chairperson Engr. Dr. Aqsa Shabbir, BISE Gujranwala conducted a Post-Examination Analysis for the Session of SSC (First Annual) Examination 2026, led by Controller of Examinations Prof. Nadeem Ahmad and Research & Coordination Officer Prof. Atif Imdad Tarar, with the participation of experienced subject specialists.

As per vision of the chairperson and keeping in view the international examination standards the meeting reviewed question papers, marking trends and examination outcomes to identify improvement and strengthen the quality, fairness and transparency of future examinations of the board.

Another meeting on post-examination analysis of Biology and Chemistry was held under the chairmanship of Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala. She reiterated her resolve to bring the Board's examination system at par with modern international examination systems. The meeting brought together examination officials and subject specialists to review subject-wise examination trends, identify areas for improvement, and enhance the overall quality of the examination system. Emphasis was placed on evidence-based analysis, improved assessment practices, and continuous quality enhancement. The initiative reflects the Board's commitment to develop a fair, transparent, and internationally aligned examination system.

Pictorial Glimpses of the Smooth Conduct of Practical Examinations across the region

The BISE Gujranwala is strengthening institutional linkages and intra-departmental collaboration through regular meetings, consultations, and knowledge sharing. These efforts promote innovation, streamline processes, encourage the exchange of best practices, and support the development of modern, technology-driven solutions for improved institutional performance and public facilitation.

As part of its commitment to institutional development and continuous professional growth, the Board of Intermediate & Secondary Education, Gujranwala has established a dedicated Staff Training & Development Center. The Center serves as a platform for strengthening the professional capacity, skills, and competencies of the Board's human resource through structured and need-based training programmes.

The Center conducts a diverse range of training sessions for Board employees, supervisory staff, marking staff, paper setters, exam-related personnel, and other stakeholders involved in the Board's operations. These programmes focus on enhancing professional competence, improving efficiency, promoting standardization, and ensuring the effective implementation of rules, procedures, and modern practices.

In addition to internal capacity-building, the Center also facilitates training and professional development services for external stakeholders and institutions, extending the Board's expertise beyond its organizational boundaries. Through continuous learning, knowledge sharing, and skills development, the Staff Training & Development Center is playing a vital role in building a more competent, efficient, and professionally equipped institutional workforce.

Emergency Management & Disaster Safety Training Workshop

Under the directives of Chairperson Dr. Aqsa Shabbir, the Civil Defence Department conducted an Emergency Management & Disaster Safety Training Workshop for the security staff of BISE Gujranwala. The workshop covered fire safety, First Aid & Basic Life Support (BLS) and emergency evacuation procedures, enhancing emergency preparedness and institutional safety. BISE Gujranwala remains committed to strengthening safety and resilience to ensure a secure environment for students, staff and visitors.

Training on Financial Management

The Staff Training & Development Center, BISE Gujranwala, organized a training session on Financial Management on 07 July 2026 for officials and staff members from various branches of the Board. The session aimed to enhance participants' understanding of financial procedures, effective resource management, financial discipline, and compliance with applicable rules and regulations.

Mr. Zia-ul-Murtaza Farooqi, Audit Officer, BISE Gujranwala, served as the Resource Person and provided valuable insights into key aspects of financial management and audit-related practices. The interactive session enabled participants to strengthen their professional knowledge and improve efficiency in handling financial matters.

The MNA & Parliamentary Secretary Ministry of Federal Education & Professional Training participated in training organized by the Staff Training & Development Center BISE Gujranwala

A training session on TA/DA Rules was organized by the Staff Training & Development Centre (STDC), BISE Gujranwala. The session was conducted by Mr. Zia-ul-Murtaza Farooq, Audit Officer, BISE Gujranwala, who served as the resource person and explained the applicable rules and procedures. The session was presided over by Engr. Dr. Aqsa Shabbir, Chairperson, BISE Gujranwala, and graced by Ms. Rabia Naseem Farooqi, Member National Assembly and Parliamentary Secretary, Ministry of Federal Education & Professional Training, as the chief guest.

The Chairperson welcomed the distinguished guest and thanked her for attending the programme. Ms. Rabia Naseem Farooqi appreciated the Chairperson's initiatives for strengthening professional development and capacity building of the Board's employees. She emphasized the importance of continuous learning and assured the Ministry's full support for future training and capacity-building programmes. The session was also attended by Prof. Rashid Ahmed Bhatti, Secretary, BISE Gujranwala; Mr. Atif Imdad Tarar, Research & Coordination Officer; and Branch Officers of the Board.
