To the Ministry of Federal Education and Professional Training of the Islamic Republic of Pakistan

Dear Mr. Khalid Maqbool Siddiqui!

The Ministry of Education of Turkmenistan is honored to invite you to participate in the **2nd International Mathematics Olympiad for School Students**, scheduled to take place in Ashgabat from **April 21 to 26, 2025**, in celebration of the **"Year of International Peace and Trust"**.

The **2nd International Mathematics Olympiad** aims to nurture the natural talents and abilities of school students, strengthen bonds of friendship, and develop progressive, broad-minded youth. Additionally, it seeks to encourage active engagement in science and creativity while fostering intellectual growth and creating favorable conditions for future professional choices.

Official Languages

The official languages of the Olympiad are **Turkmen, Russian, and English.**

Competition Format

The Olympiad will be held in a **single individual round** with two categories:

- **Category A:** Open to school students under the age of 20 who graduated no more than one year prior to the Olympiad and are not currently enrolled in secondary or higher education institutions.
- **Category B:** Open to school students under the age of 15.5.

There are no restrictions on the number of participants for either category from each country.

Registration

Students and team leaders wishing to participate must register via the official website of the Ministry of Education of Turkmenistan (**https://education.gov.tm**) between **January 15 and April 10, 2025**.

Expenses

The host country will cover all expenses related to **food, accommodation, local transportation, and sightseeing tours** during the Olympiad for participating students and their team leaders.
